DOLPHIN WEAR

THE UNIFORM SOLUTION PROVIDER

Dear customer,

Welcome to our new 2017 Dolphin Wear Catalogue - we have designed it to help create your uniform solution world!

Convinced that your crew uniform is one of the 10th - maybe one of the 5th - first aesthetic criteria onboard, we will offer you all the necessary options **to build together the best and most unique crew uniform solution.**

- We put all our efforts to select the best products and brands - and this is why we can happily announce the inclusion in this year's catalogue of the widely-known brands MARINE POOL and GEOX.
- We invest every day in stocking a large choice of those products that will ensure a quick reactivity to your season rush needs.

- We customise all products- including linen, accessories, etc.- using the last state-of-the-art techniques so that your owner's wishes and vessel state of mind are fulfilled.

We deeply appreciate our customers' long term loyalty and, as such, **we offer complete transparency on prices** (which you can check on the attached flip page) as well as offering a warranty on colors and availability on most of our products, especially the YU brand.

As it has been said, if 2017 is the beginning of new positive cycle, **let's sail together into a sea of new uniforms and more adventure!**
As always, with a real passion for your satisfaction,

Patrick Gilliot
