For more than 30 years...

DWD Uniform Solutions, previously as Dolphin Wear and Deckers have been supplying crew uniform solutions worldwide...and we feel younger and more innovative than ever! Our job has changed and so have we! But our ethos is still the same, to make yacht uniform unique and a simple subject for you.

We would like to thank our clients and especially some of them who have put their trust in us from day one. Our story would not have happened either without the support of the leading marine brands. This is why Musto, Slam, Gill, Dubarry and Chatham are our special guests in this catalogue. We thank them for the long-standing relationship and we look forward to working with them for many years to come.

We have much more to offer than what is on show here. Onboard around Europe and in person at any of our three showrooms in Antibes, Palma and Barcelona. Also at any of our Crew stores or agent partner offices our teams will enjoy taking care of your 2019 uniform.

We are looking forward to sailing with you in 2019!

**David Ireland & Patrick Gilliot,
Directors**

UNIFORM SOLUTIONS

**MADE TO
MEASURE**

MADE TO MEASURE

Your Yacht is truly unique.

Lets work together to create a uniform to reflect this.

Whether you have your own creative flair, or you're in charge of executing the owner's ideas, we are on hand to make your designs become reality. Our in-house design experts offer you three complete solutions, to help create the wow factor with your crew wear!

Based on the respective knowledge from Deckers' high end **EXCLUSIVE DRESS COLLECTION**, and Dolphin Wear's complete made to measure process and facilities, DWD will drive your design project, producing the most exclusive range, inspired by your yacht's distinctive essence.

From **CUSTOMISATION** - a slight modification to an existing product such as adding stripe, piping, tip or pocket detail, to **MADE TO MEASURE** - a complete new design of a dress, polo, shirt or bermuda using specific fabric in the colour to match your yacht's aesthetic criteria, DWD will warranty you the exclusivity and distinction of a full uniform collection, with the added value of knowing your own products will continue being produced year on year.

Please, discover some of our creative visualisation and share with us your uniform dream.

Together, we will work to make it happen!

*"All of our uniforms were made to measure
and surpassed expectations.*

*More, the embroidery, screen printing and design were added,
all of a high quality, and completed to our satisfaction."*

Gill was born from necessity and innovation was a fundamental part of creating our iconic marine apparel brand.

That innovative process continues today as we strive to offer our customers the best apparel possible - to protect and perform whether an elite sailor or Super yacht crew member, your needs are at the heart of everything we do.
